### ARRANGEMENT OF INDICES AND TABLES OF CASES

- There are separate Indices and Tables of Cases to ALJ and ALJR.
  - The ALJ Index covers all the material in the Journal. In addition there is an Index of Authors covering the feature articles. The Table of Cases is a table for this volume of all English, Australian, and other decisions, which have formed the subject matter of explanation and comment in articles and in notes and paragraphs in the various departments of the Journal.
  - The ALJR Index and Tables of Cases relate solely to the cases reported in the Reports, that is, to cases decided by the High Court of Australia.
