Abandoned claims

non-enforcement of conditions and, 129-130

ABIC MW 2008

cases on, 91

reviewed, 81-84

Absent parties

proportionate liability and, 26

Accord and satisfaction

defence if re-litigation attempted, 294-297

Adjudication determinations *see also* Determinations

90-day time limit for claims, 409-416

amenable to certiorari, 313-332

application for leave to enforce as a judgment of the Supreme Court, 195-204

application of s 22(4) of BCISPA (NSW) to prior adjudication determinations, 205-216

completeness of service of documents for, 212-215

consideration of defence of set-off, 276-285

under Construction Contracts Act 2004 (WA), 195-204

denial of natural justice rendering previous determinations void, 205-216

entitlement different from valuation, 205-216

expert knowledge and, 265-266

jurisdiction to determine whether application served within time, 409-416

national security of payments legislation proposed, 377-378

non-compliance with s 26(1) of CCA (WA), 321-331

“nullus commodum capere potest de injuria sua propria”, 215

other relief available to plaintiff, 409-416

reasons for decision on progress payments, 200-201

requirement to follow a superintendent’s certificate, 383-385

requirements of the adjudication process, 342-358

staying or setting aside of judgments, 409-416

for subset of payment claims, 276-285

voidance of, 409-416

Adjudicators

qualifications for, 396-397

Agreements to agree

agreements to negotiate compared with, 94-97

Agreements to negotiate *see also* Genuine and good faith negotiations

agreements to agree compared with, 94-97

consideration in as illusory, 103-106

curing incompleteness, 98-103

severing an incomplete term, 97-98

Alliance contracting

use of, 372-375

Alliance parties

defined, 372

Alternative dispute resolution *see also* **Mediation**

accord and satisfaction and “full and final settlement”, 294-297

Appeals

Brodyn and, 387-389

statutory avenues of appeal, in security of payment legislation, 386-387

Apportionment *see* **Proportionate liability**

Arbitration

disenchantment with, 365

after genuine and good faith negotiations, 368-371

after mediation, 266

power to review and revise a determination, 252-253

proportionate liability in Australia, 298-305

values-based approach to enforcement of vacated awards, 306-312

Arbitrators

evidence of their error of law, 68-69

Architectural drawings *see* **Sketches**

The Art of Judging

book review, 6-7

AS 2124-1992

cases on, 89

damages for delay and, 58-70

definitions in, 87-88

AS 4000

definitions in, 87-88

Assets

contractual models for Sydney ferry services, 171-172

Australian Building Greenhouse Rating (AGBR) scheme *see* **NABERS schemes**

Autonomy principle

in the operation of performance bonds, 230-245

Awards

American approach to vacated awards, 307-308

Australian approach to vacated awards, 308

comity and, 309

commercial certainty and, 310

French approach to vacated awards, 306-307

New York Convention, enforcing vacated awards under the, 306-312

party agreement and, 309-310

Paulsson’s local standard annulment approach to vacated awards, 308

values-based approach to vacated awards, 307-312
