Australia-United States Free Trade Agreement, 61, 133

- bilateral nature of, 207-208
- broadcasting decoding devices, 219
 - encrypted program-carrying satellite signals, protection of, 219
- Copyright Act 1968*, amendments to, 196
- copyright and related rights, 212-214
 - assignment of rights, 214
 - Copyright Act 1968*, 212-213
 - distribution, right of, 213
 - importation, right of, 213
 - limitations and exceptions, 214
 - reproduction, right of, 212
 - exceptions, 213
 - right of making available, 214
 - term of copyright, extension of, 213
- designs, 220
- dispute settlement procedures, 208-209
 - WTO Dispute Settlement Understanding, 208
- domain names, 212
- electronic rights management information, 219
 - civil liability, 219
 - commercial infringements, definition of, 219
- enforcement, 220
- implementation, 224-226
 - certification procedure, 225
- internet service provider liability, 217 *see also* **Doctrine of authorisation of infringement of copyright**
 - carriage service providers, 217
 - categories of activities, 217
 - Copyright Act 1968*, factors for determining responsibility, 217
- most-favoured nation obligation, 209
- multilateral agreements, 207-208
- national treatment obligations, 209-210, 215-216
 - exceptions to, 210
 - material reciprocity, 215-216
 - non-discrimination, 209
- negotiations, progress of, 64
- patents, 220-222
 - compulsory licensing, 222
 - exceptions and limitations generally, 222
 - exclusions, 221
 - importation and exhaustion, 222
 - patentability, 220-221

Index

- pharmaceutical *see* pharmaceutical patents *below*
- rights, 221
- performers and producers, 214-216
 - fixation, 214
