Disclosure

- medical error, 35-43

Doctor-patient relationship

- duty of open disclosure following medical error, 35-43
- refusal of treatment – *see* **Refusal of medical treatment**

Donation – *see* Egg donation; Embryos**Donor conception**

- information release, 655-670
 - balancing legal rights & interests, 660-669
 - human rights discourse, 656-660
 - privacy, 658-660

Driver licensing

- taxi driver accreditation, 204-215
 - “suitable in other respects” and person who has killed another person, 214-215

Supreme Court (Vic) appeal, 211-214
VCAT hearing, 207-211
XFJ's applications, 205-207

Drugs, illicit

health practitioners under influence (NSW), 742-743

Ecosystems – see Legal persons

Egg donation

compensation for, 845-851
commodification of bodily material, 849-850
exploitation of vulnerable women, 850
future research needs, 848
increase in egg numbers for research, 848-849
precedent for payment for tissue donation, 851
reasonable compensation, 849
research need for human eggs, 847
unreasonable inducement, 850

Embryos – see also Stem cell research

directed donation, 801-803
donation for reproductive use of others, 789-810
donation experiences, 794-796
donation process, 799-805
external barriers to donation, 805-809
reasons for willingness & ability to donate, 796-799
unwillingness to donate, 792-794
storage
consent, information-giving & counselling, 759-772
communication after treatment, 768-769
counselling & information-giving requirements in law & NHMRC Ethical Guidelines, 763-765
IVF treatment study, 761-762
legal effect of consent, 762-763
sources of information, 771-772
timing of consent & process of information-giving, 769-771
unsatisfactory processes, 765-768
IVF participant understanding, involvement & control, 811-830
embryo destruction, 823-830

use of stored embryos in IVF following separation or death of partner, 773-788
consent, 783-787
recommendations, 787-788
views of participants
use following death, 780-783
use following separation, 777-780

End-of-life decisions

neonates – *see* **Children (minors)**
research on issues, 402-408

Error – see Medical error

Ethics – see also Consent; Disclosure

complementary medicine practitioners (NSW), 739-740
