Adhesion contracts

in construction, 191–194

Adjudication

jurisdictional error, 53–94
of progress claims and payments, 231–232
review of decision, 242–259
West Coast complexity test, 279

Alliancing approach

legal implications of, 99–110

Alternative dispute resolution *see also*

Adjudication; Dispute resolution clauses

alliancing approach, 99–110

Appeals

on a question of law, 306–328
requirement to renew offer of compromise to
obtain indemnity for appeal costs, 414–459

Assignees

as subsequent owners, 212–215

Assignment of rights

to recovery for defects, 222–223

Australian Standard AS1100

replaces previous standard contracts, 13–29

Balance of convenience

injunction refusal based on, 355

Bank guarantees *see* Performance bonds

Bergin, Patricia

tribute to, 97–98

Betterment

whether damages ought to have been reduced for,
414–459

Bonds *see* Performance bonds

Book reviews

Construction Law (2nd Ed), 264–270
*Quantification of Delay and Disruption in
Construction and Engineering Projects*, 332

Breach of contract

breach of warranty, 414–459
whether party in can accept repudiation,
306–328

Building products

inquiry into polyethylene core aluminium
composite cladding, 331

Building warranties *see* Warranties

Complexity, test for

West Coast model of adjudication, 279

Consideration, illusory

in alliancing, 105–106

Constitutional law

and security of payments legislation, 127–187

Construction law

improving productivity and, 263

Construction Law (2nd Ed)

book review, 264–270

Consultants

limitation of liability clauses, 5

Contracts *see also* Deeds of assignment; Warranties

alliancing approach, 99–110
assigning building warranties, 195–225
defining repudiation of, 306–328
design obligations, 271–278
dispute resolution clauses, 299–305
“good faith” in AS1100, 13–29
improving productivity with, 263
incorporating active risk management in,
333–342
Interim Deeds as construction contracts, 82–86
interpretation of, 343–368
jurisdiction of adjudicators, 53–94
limitation of liability clauses, 4–12
process contracts for managing legal risk in
government procurement, 395–413
progress claims and payments, 226–241
purpose of notice provision fulfilled but strict
terms were not, 369–389
referring to non-existent entity, 30–52
remedies for tenderers in, 395–413
standard form contracts, 191–194

Co-operation

good faith doctrine and, 23

Costs *see also* **Pricing**

- ongoing validity of a settlement offer prior to change of case, 414–459
- requirement to renew an offer of compromise to obtain indemnity, 414–459

Cost/time claims

- basis of, 113–119

Damages

- for delay, 343–368
- limitation of liability clauses, 4–12
- whether ought to have been reduced for betterment, 414–459

Deeds of assignment

- interpretation by reference to what a reasonable business person would have understood the terms to mean, 414–459
- permissibility of reference to previous drafts and omitted language, 414–459
- permissibility of reference to surrounding circumstances in, 414–459

Defective work and materials

- recovery of losses from, 196–197
- whether knowledge of an existing defect prevented recovery for breach of an assigned warranty, 414–459

Deferred agreement clauses

- in alliancing, 106–107

Delay

- contract termination due to, 369–389
- cost/time claims, 113–119
- good faith doctrine and, 24
- liquidated damages for, 343–368
- Quantification of Delay and Disruption in Construction and Engineering Projects*, 332

Design

- due skill and care in, 271–278

Determinations

- application for leave to enforce, 80–83

Disclaimers

- constraints of, 403

Discretionary powers

- limited by good faith doctrine, 25

Dispute resolution clauses *see also* **Alternative dispute resolution**

- allowance for court applications within, 343–368
- provide for progression, 299–305

Disruption

- Quantification of Delay and Disruption in Construction and Engineering Projects*, 332

Documentation

- volume of not an indicator of complexity, 296

“Due”

- meaning of, 343–368

Duty of good faith *see* **Good faith****ECPM model**

- alliancing vs, 109

England *see* **United Kingdom****Equity**

- remedies for disappointed tenderers, 412–413

Errors of law

- discretion of Court to intervene where applicant invited error, 369–389
- review available for, 242–259
- whether failure to refer to evidence was failure to consider, 369–389

Estoppel

- remedies for tenderers involving, 412–413

Evidence

- whether failure to refer to evidence was failure to consider, 369–389

Expert determinations

- in alliancing, 107–108
- right to litigate following, 299–305

Express terms

- cannot be limited by good faith obligation, 25
- good faith doctrine in, 16

Extension of time claims

- delay damages payable in spite of, 343–368

Fact-finding

- in calculating amount owing, 369–389

Fitness for purpose obligation

- wind turbine designs, 271–278

Global claims

- development of, 111–126

Good faith

- Australian Standard AS1100 on, 13–29

Government procurement

managing legal risk in, 395–413
remedies for tenderers, 395–413

Grenfell Tower fire

Australian response to, 331

High Court decisions

contract refers to non-existent entity, 30–52
finding unreasonableness, 205–209
tortious recovery, 196–202, 219–220

Illusory consideration

in alliancing, 105–106

Implied terms

good faith as, 14–15

Indemnity

requirement to renew offer of compromise to
obtain indemnity for appeal costs, 414–459
whether costs should have been awarded on basis
of, 414–459

Injunctions

contractual restrictions on, 343–368

Insolvency

date for assessing notice of, 127–187

Insurance issues

in alliancing, 108–109

Interest

failure to award argued to be error of law, 369–389
power of a Tribunal to award prejudgment, 369–389

Interim Deeds

as construction contracts, 82–86

Interlocutory injunctions

contractual restrictions on, 343–368

Interpretation issues

good faith as interpretation tool, 15–16
limitation of liability clauses, 6–11

Invoicing

contractual provisions for, 348

Judicial review

of adjudication determinations, 242–259
whether liability has been discharged, 53–94

Jurisdictional issues

adjudication, 53–94
Court jurisdiction over adjudicator decisions,
242–259

recovery for defective building work, 216–218
West Coast model of adjudication, 295
whether failure to refer to evidence was failure to
consider, 369–389

Legal practitioners

improving productivity and, 263

“Legality” principle

Court jurisdiction over adjudicator decisions,
242–259

Liability

for defects, disappears on sale of property to
knowledgeable buyer, 205–209
limitation on types of loss or damage, 4–12
proving loss no impediment to award where
liability established, 119–120

Linked contracts

good faith doctrine and, 24–25

Liquidated damages provisions

for delay, 343–368

Liquidation, companies in

whether provisions available, 127–187

“Litigation” clause

whether valid following expert determination,
299–305

London

Grenfell Tower fire, 331

Loss

apportionment of, 120–124
difficulty in proving loss no impediment to award,
119–120
limitation of liability clauses, 4–12

Monetary ceilings

limitation of liability clauses, 5

Murray Review

on security of payment laws, 3

Notice of contractual breach

non-compliance invalidation of, 369–389
purpose of notice provision fulfilled but strict
terms were not, 369–389

Obligation

good faith as, 18–21

Orders

power of Court to make, quash and substitute, 369–389

“Payable”

meaning of, 343–368

Payment claims

adequacy of reasons for withholding, 127–187
alliancing approach, 99
identifying “payment disputes”, 68–71

Performance bonds

given as security, 30–52
recourse to, 343–368

Pricing *see also* **Costs**

contractual provisions for, 348

Process contracts

for managing legal risk in government procurement, 395–413
remedies for tenderers in, 395–413

Procurement decisions

public vs selective, 400
remedies for tenderers, 395–413
risk management in governmental, 395–413

Productivity

in construction industry, 263

Progress claims and payments

adjudication error in, 56–58
Court jurisdiction over adjudicator decisions, 242–259
does right to make survive termination, 226–241
right to, 127

Queensland

legislation addressing non-conforming building products, 331

Reasonableness

of adjudicator’s determinations, 79–81
of cost and process for rectification of defective work, 414–459
of cost/time claims, 113–118
good faith doctrine and, 21–22

Rectification of contracts

where contract refers to non-existent entity, 30–52

Rectification work

possibility of, and recovery, 203–204

Reference dates

whether a precondition for valid payment claim, 226–241

Repudiation

finding of, 306–328

Risk

active management in construction, 333–342
in alliancing, 99–110
management of legal, 395–413

Security of payments legislation

Murray Review of, 3
West Coast model of adjudication, 279

Senate Economics References Committee

inquiry into non-conforming building products, 331

Singapore Society of Construction Law

annual update conference, 3

South Africa

construction contracts in, 5

Standard form contracts

adhesion contracts and, 191–194
Australian Standard AS1100, 13–29

Standards for construction

errors in, 271–278

Statutory law

good faith in, 16

Statutory warranties

protect subsequent owners, 195–225

Subcontractors

use of limited by good faith doctrine, 25

Tenderers

remedies for, 395–413

Termination of contract

for convenience, 56–58
mistaken belief about, 306–328

Time claims *see* **Cost/time claims**

Tortious recovery

High Court decisions, 196–197, 219–220

Trust

good faith doctrine promotes, 27

Uncertainty

arising from good faith doctrine, 28

Uncommercial terms

bifurcation of rights through non-assignment of
accrued cases of action, 438–439
interpreting to give effect to commercial purpose,
369–389

United Kingdom

Grenfell Tower fire, 331
*Quantification of Delay and Disruption in
Construction and Engineering Projects*, 332

Unreasonableness

High Court decisions, 205–209

Valueless products

recovery for, 211–212

Warranties

assignment of accrued cause of action for breach
of a warranty to subsequent leaseholder,
414–459
assignment to subsequent owners, 195–225
contractual provisions for, 347
whether knowledge of an existing defect
prevented recovery for breach of an assigned
warranty, 414–459

West Coast model of adjudication

test for complexity, 279

Western Australia

complexity test legislation, 281–283

Wind turbine designs

failure of, 271–278
