
Index

Accident compensation

personal injury by accident (NZ, before 1992), 297–299

Artificial insemination – see Assisted reproductive technology

Assisted reproductive technology – see also

Embryos

professional and legal restrictions (Aust), 373–385

Assisted suicide – see Suicide, assisted

Attendant care – see Damages

Birth – see Obstetric practice; Pregnancy

Birth, wrongful – see Wrongful birth

Blood samples

information privacy, 426–440

Body, human – see Human body

Body parts – see Human body

Breast cancer

diagnosis difficulties, 511–518

Burial rights – see Property

Cancer – see Breast cancer

Capacity to decide

withdrawal of life support, 445–446

Care – see Duty of care; Health care

Causation

duty to warn, in, 248–249

wrongful life claims, 21–24

Child abuse

Munchausen syndrome by proxy, 261–268

Child-rearing expenses – see Wrongful life

Children (minors) – see Fetus; Surrogacy; Wrongful life

Clinical education

nurses – see Nurses

Clinical performance – see Performance, clinical

Cloning – see also Stem cell research

regulation of research, 483–493

Community treatment orders

parallels with criminal detention, 462–477

Compensation – see Accident

compensation; Damages;

Disability; Medical litigation;

Psychiatric injury

Competence – see Capacity to decide; Consent

Competence of doctors – see Medical practitioners

Complaints

against pharmacists (NSW), 348–353

notifiers, 92–94

rural health care (NZ), 366–372

Conception, wrongful – see Wrongful birth; Wrongful life

Confidentiality – see also Confidentiality of medical records; Privacy

duty to warn and genetic harm, 235–253

waiver of, 277–279

Confidentiality of medical records

electronic health records, 61–62, 77–78, 85–89

waiver of, 277–279

Consent

court-ordered obstetric intervention, 455–456

electronic health records, 63–67

human tissue, taking of bodily samples, 428

Consumers – see Complaints

Corpse – see Human body; Property

Cremation – see also Human body

legal position, 270–271

Criminal justice system

intensive correction orders, 462–477

Criminal responsibility

withdrawal of life support decisions, 451–453

Damages – see also Medical negligence; Wrongful birth; Wrongful life

collateral benefits, 290–291

common law, 282–283

contingencies, 286–287

discount rate, 285–286

gratuitous services and attendant care, 402–412

compensation for pure psychiatric injury and, 410–411

history, 403–407

indemnity insurance, 407–408

interpretation of statutory provisions, 409–410

tort reform, 408–409
