UPDATE 413

APRIL 2021

## THE AUSTRALIAN DIGEST Third Edition

### **Australian Digest Content on FirstPoint**

FirstPoint is Thomson Reuters' online Australian case law research tool, which integrates content from our leading case law research products, including the *Australian Digest*. It is one of many products available on Westlaw AU, our latest online research platform.

FirstPoint includes the case law digests published in the *Australian Digest* and the *Australian Legal Monthly Digest*, as well as digests for selected unreported decisions. In addition to this *Australian Digest* content, FirstPoint also provides citator information on unreported and reported Australian decisions. Moreover, all Australian cases available on FirstPoint are classified into the same classification scheme used in the *Australian Digest*. FirstPoint thereby allows you to find the latest cases relevant to your research task using the familiar *Australian Digest* headings.
