Part 3 — Pages 239-324

CONSTRUCTION

Construction of wind turbine generators — Practical completion not reached —
Extension of time not granted — Interference from other contractual obligations
— Defects — Rectification works.

*Lal Lal Wind Farms Nom Co Pty Ltd v Vestas — Australian Wind
Technology Pty Ltd & Ors* 279

CONTRACT

Engineering, procurement and construction contract — Operation and maintenance
agreement — Contractor obligation to maximise electricity generation under the
contract prior to practical completion — Whether ongoing operation of wind
turbine generators interferes with or limits the contractor's ability to comply
with obligations under contract — Breach of contract — Liquidated damages.

*Lal Lal Wind Farms Nom Co Pty Ltd v Vestas — Australian Wind
Technology Pty Ltd & Ors* 279

CORPORATIONS

Application for orders under s 545 of the Corporations Act 2001 (Cth) that
liquidators not liable to incur any amounts under Environmental Protection Act
1994 (Qld) and Mineral Resources Act 1989 (Qld) — Whether it is appropriate
to make direction under s 545 — Whether fines and penalties were “expenses”
within the meaning of s 545 of the Corporations Act — Where expenses
incurred unidentified and hypothetical.

*Joiner (Liquidator), in the matter of CuDeco Limited (Receivers
and Managers Appointed) (in liq)* 239

Application by liquidators for directions and declarations under s 90-15 of Schedule
2 to the Corporations Act 2001 (Cth) — Where receivers and managers
appointed — Where company operates open cut copper mine — Where
company exposed to risks and liabilities under Environmental Protection Act
1994 (Qld) and Mineral Resources Act 1989 (Qld) — Where environmental
protection orders issued to company — Where environmental legislation
imposes liabilities on “related persons” — Where mining assets subject to
control of receivers and managers — Whether the liquidators fall within
definition of “related person” — Where environmental legislation imposes
liabilities on “executive officers” — Whether liquidators fall within definition of
“executive officer”.

*Joiner (Liquidator), in the matter of CuDeco Limited (Receivers
and Managers Appointed) (in liq)* 239

INDEX

ENERGY AND RESOURCES

- Environmental liability under Environmental Protection Act 1994 (Qld) and Mineral Resources Act 1989 (Qld) — Where receivers and liquidators appointed — Where liquidators do not have control of company assets — Where risks remain hypothetical — Liability of liquidators.
Joiner (Liquidator), in the matter of CuDeco Limited (Receivers and Managers Appointed) (in liq) 239
- Wind farms — Wind turbine generators — Electricity generation.
Lal Lal Wind Farms Nom Co Pty Ltd v Vestas — Australian Wind Technology Pty Ltd & Ors 279

INJUNCTION

- Whether continued operation of wind farm generators interferes with defendant's ability to comply with its contractual obligations — Whether defendant entitled to constrain wind farm operation — Whether serious issue to be tried — Whether damages adequate remedy — Whether balance of convenience favours granting injunction — Loss of revenue — Financing arrangements — Reputational damage — Diminution of project value — Effect on wholesale electricity prices — Effect on electricity grid security.
Lal Lal Wind Farms Nom Co Pty Ltd v Vestas — Australian Wind Technology Pty Ltd & Ors 279

MINING

- Mining Act 1978 (WA) — Lease conditions — Exemption from expenditure conditions pursuant to s 102 — Consideration of expenditure in the expenditure year — Whether the mandatory consideration in s 102(4) of work done and money spent on the mining tenement is limited to expenditure up to and including the expenditure year — Whether expenditure after the expenditure year relevant — What constitutes an “other reason” for exemption for the purposes of s 102(3) — Whether an “other reason” must be of a different character to the reasons for exemption in s 102(2).
Thompson v Siberia Mining Corporation Pty Ltd 293
