INDEX

Part 4 — Pages 325-548

ENERGY AND RESOURCES

- Petroleum production licence — Offshore oil drilling in Australian waters —
Uncontrolled release of oil into the ocean — Whether released oil would reach
the coastal areas of Kupang and Rote in Indonesia — Effect of released oil on
marine environment — Liability in negligence.
Sanda v PTTEP Australasia (Ashmore Cartier) Pty Ltd (No 7) 325

REPRESENTATIVE PROCEEDINGS

- Common law negligence — Oil spill from an offshore oil well within Australian
waters — Where the respondent had responsibility to exercise control over the
suspension and operation of the well — Whether oil from the spill reached the
coastal areas of Kupang and Rote in Indonesia — Whether released oil caused or
materially contributed to the death and loss of seaweed crops in those areas —
Where the applicant and Group Members are seaweed farmers — Whether the
respondent owed the applicant and Group Members a duty of care — Whether
the respondent breached its duty of care — Whether the applicant has
established that he suffered loss and damage — Assessment of the applicant's
damages.
Sanda v PTTEP Australasia (Ashmore Cartier) Pty Ltd (No 7) 325
