MARCH 2025

THE AUSTRALIAN DIGEST Third Edition

Australian Digest Content on FirstPoint

FirstPoint is Thomson Reuters' online Australian case law research tool, which integrates content from our leading case law research products, including the *Australian Digest*. It is one of many products available on Westlaw AU, our latest online research platform.

FirstPoint includes the case law digests published in the *Australian Digest* and the *Australian Legal Monthly Digest*, as well as digests for selected unreported decisions. In addition to this *Australian Digest* content, FirstPoint also provides citator information on unreported and reported Australian decisions. Moreover, all Australian cases available on FirstPoint are classified into the same classification scheme used in the *Australian Digest*. FirstPoint thereby allows you to find the latest cases relevant to your research task using the familiar *Australian Digest* headings.
