## ARTICLES

### **State Library of Queensland: Leading the evolution** – *Jane Douglas*

Janette Wright became State Library of Queensland's Chief Executive Officer and State Librarian in February 2012. A profile piece in *Online Currents* at (2010) 24 OLC 5 discussed many of the innovative programs established at SLQ. Wright says much has changed – those programs have developed, more introduced, and they now provide a taste of the future of libraries. .... 133

### **Individual decision-making and information management** – *Matt Moore and Kelly Tall*

Making decisions is an important part of human life that is often poorly understood. Suppliers of information have a key role in the decision-making process. This article provides an overview of behavioural economics and naturalistic decision-making and the insights they provide into the decision-making process. Two case studies from the US and Australia are provided. .... 139
