PREFACE

The tables and indexes in this volume classify the material in Volumes 77-82 of *The Australian Law Journal* and *The Australian Law Journal Reports*.

The Index of Authors lists, under authors' names arranged alphabetically, articles and more extended comments in the Journal. The subject matter of these articles and comments appears in the General Index.

The Table of Cases includes all Australian, English and other decisions which have formed the subject matter of explanation and comment in articles, notes and paragraphs in the various parts of the Journal. The Table of Cases also includes decisions of the High Court which are reported in *The Australian Law Journal Reports* (Volumes 77-82).

The General Index, arranged by subject matter, indicates the material to be found in the articles and in all the comments appearing in the Journal. An asterisk (*) points out the more important discussion of a particular subject.

The Index to High Court Reports indicates the content of the High Court decisions which have been reported in *The Australian Law Journal Reports*.
